EXPERIENCE

- 2021 - Current **Senior Staff Editor, Publishing Support**
The New York Times, New York, N.Y.
I provide publishing support for more than 50 tools and platforms in digital and print environments for the newsroom. I develop workflows, assist in the rollout of new tools, train new hires and debug technical errors on deadline.
- 2019 - 2021 **Interactive Graphics Editor**
NBC Washington, Washington, D.C.
Led interactive graphics, social media graphics and other digital asset creation. Managed COVID-19 data tracking and assisted in data analysis and projects for the investigative team.
- 2019 **Contributing Data Reporter**
ThePLUG, Digital
Contributed data-driven articles about tech, equality and innovation.
- APRIL 2019 **Editorial Work Experience**
The Guardian, London, U.K.
Assisted The Guardian's data team on investigations into the gender pay gap and crowdfunding in UK schools.
- 2016 - 2018 **Data Journalist**
Dalia Research, Berlin, Germany
Used Dalia's research database to produce data-centric stories & infographics. Wrote and sent press releases and communicated with journalists. Ran newsletters, social media, and the website.
- 2015 - Current **Freelance**
Freelance for Botho Emerging Markets Group, The Green Conspiracy, Dalia Research, The Conduit, The Amahoro Coalition and more.

EDUCATION & AWARDS

- 2019 **Winner of Google Cloud's Visualize 2030 Contest**
For my data story about women in government for reduced corruption
- 2018 - 2019 **MA Interactive Journalism**
City, University of London
- 2011 - 2016 **BA Economics & Development Studies***
Brown University
Honors in Development Studies
Recipient of the Foster Prize for Achievement in French
- 2011 - 2016 **BFA Graphic Design***
Rhode Island School of Design (RISD)
Joan Shewmon Memorial Scholarship Recipient
- 2014

**Simultaneous enrollment at Brown & RISD via the 5-Year Dual Degree program.*
